Ocean Blue Granite, Absolute Black Granite, Beige Lime Stone are one of the unique & rarely available materials in the World. Huge deposits of Ocean Blue Granite are found in Balakot (KPK). It has waves like texture that makes it more beautiful & elegant.

Absolute Black Granite's deposits are found in Oghi near Mansehra. World's finest quality Black Granite is extracted in this region.

Beige Lime stone huge deposits are available in Mianwali (Punjab).

It can be used for facade, flooring, wall mount feature wall, stairs, kitchen and bathroom counters.

Emerald Green Granite is very rare in the world and have beautiful design.
